

GARDUINO

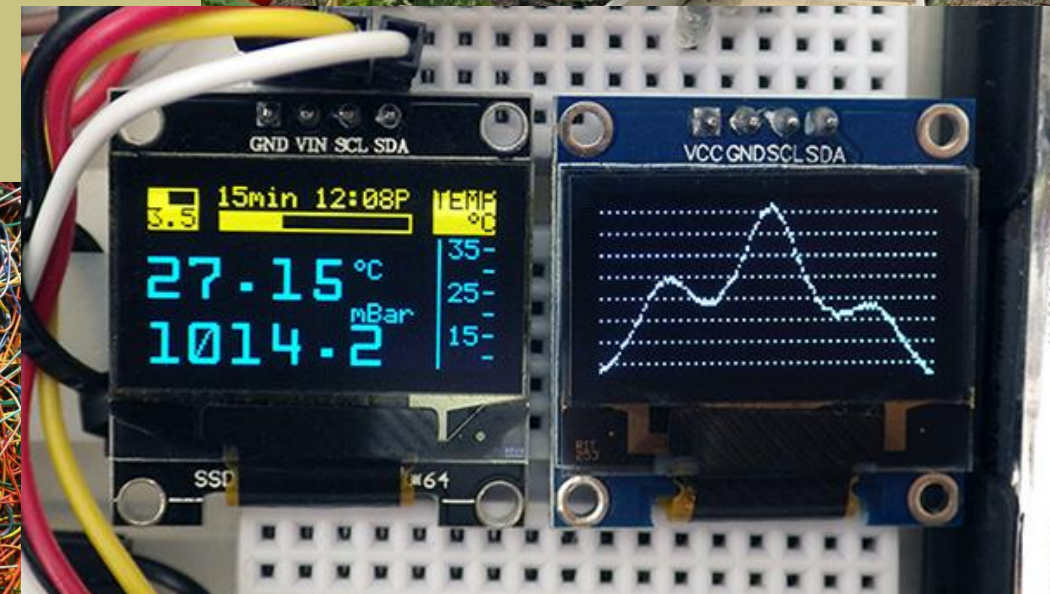

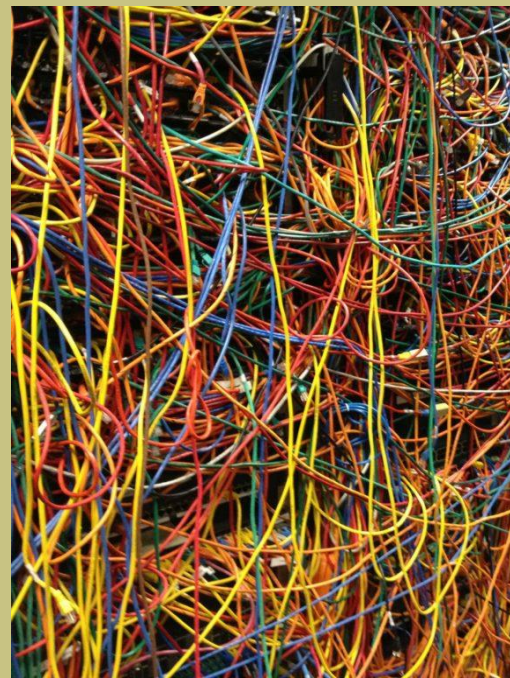

What we've done...

- Structure
- Plants
- Sensors
- Solar-power

What we need to do...

- New Pump Stand
- Waterproof Boxes
- Make a calibration/boot up sequence
- Pick Out New Plants
- Wire management
- Electronic placement

FUTURE GOALS!!

ONE MORE AUTOMATED PROCESS

- Temp control?
- Humidity control?

DATA COLLECTION & DISPLAY with... ✨ PIZZAZZ ✨

- Setup display graphs
- Live data-updates
